MADRID

ARTFULLY CRAFTED NATURAL WOOD ELEMENTS

WOOD GRILLE + LINEAR WOOD + CONTINUOUS LINEAR

MADRID

ABOUT US

Madrid has been crafting quality wood products since 1977 and architectural ceilings and wood elements for well over a decade. We specialize in unique ceiling treatments and modern acoustical products. Our attractive and versatile product lines can complement your design and provide optional sound reflection or absorption if desired.

The following pages detail three of our premier solutions for ceiling and wall treatments — **Wood Grille, Linear Wood and Continuous Linear.**
