

Wood Weave

Madrid's Wood Weave is an attractive interior design option for any vertical surface. Madrid Wood Weave is real woven wood available in oak, maple or cherry veneer, and field finished with clear lacquer using standard wood finishing techniques. Custom veneers are also available upon request. Wood weave is available in 8"x8" or 12"x12" interlocking tiles and can be easily applied with screws to almost any substrate. Madrid's Wood Weave is an attractive, unique and economical interior vertical surfacing finish option. Applications include interior wall surfacing, elevator lobbies and interiors, wainscoting, millwork, backslashes and other architectural applications.

Madrid makes you look good.
